

Kapiti Biodiversity Project

Volunteers needed for our plant projects

- *replanting rare dune plants*
- *planting to provide shade for the streams*

When: 9.30 – 11.30am Tuesdays from 8 March

Where: Queen Elizabeth Park Nursery

- Could you join our new group on Tuesday mornings to water, pot up and plant out plants along the streams and dunes in Queen Elizabeth Park?
- We have 1500 plants to pot up and plant out along the streams this season
- and we have identified some rare plants to propagate and plant in the dunes
- No special skill needed. We provide the tools and materials.
